 FEDERAL

IMPACT: Pending

Summary of Legislation: This bill requires the Little Calumet River Basin Development Commission (Commission) to levy a special assessment on parcels of land within the Little Calumet River and Burns Waterway watershed in Lake County. The bill provides that money collected may be used only for expenses directly related to the operation, repair, and maintenance of flood protection systems within the watershed. It provides that money collected through the assessment shall be deposited into a segregated account within the Little Calumet River Project Development Fund.

The bill provides for the repayment of money to the Northwest Indiana Regional Redevelopment Authority.

The bill expands the Commission from five members to nine members. It requires the Commission to meet at least four times per year and to submit annual reports to the Board of County Commissioners of Lake County.

The bill establishes the Little Calumet River basin project advisory board.

Effective Date: July 1, 2012.
